Use these standard under dash louvers when upgrading to in-dash controls

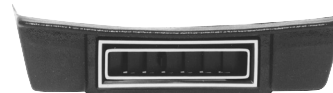

- 49100-VFL** Flat under dash center louver.
- 49300-VFL** (all black)

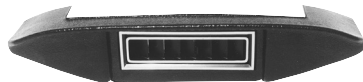

- 49132-VFL** 1928-32 Ford under dash center louver.
- 49332-VFL** (all black)

- 49134-VFL** 1933-34 Ford under dash center louver.
- 49334-VFL** (all black)

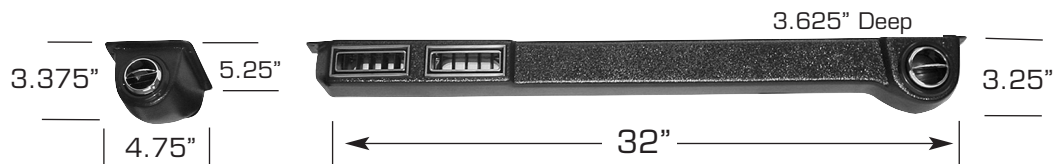

- 49137-VFL** 1937 Ford and 1930-35 Chevy center louver.
- 49337-VFL** (all black)

- 49135-VFL** 1935-36 Ford under dash center louver.
- 49335-VFL** (all black)

2 piece louver kit works well with any flat underdash installation.

DEALER TRAINING

The first day of our annual dealer session is classroom training. The dealers learn basic a/c theory, the operations of the various components and the laws concerning refrigerant handling. We also instruct them on all of our own components and products so they can help you choose the right systems and components for your car.
