

**GEN II**

**F-100 Sure Fit's Now Feature Gen-II Technology!**

Vintage Air Sure Fit air conditioning, heating and defrost systems for '53-'56 Ford F-100 trucks are designed specifically for each application. Get true bi-level air flow and OEM quality "just right" temperature control.

Underdash panel with louvers package shown is available with or without control panel installed.

Complete kit includes: Evaporator, condenser, drier, compressor, compressor bracket, hose kit and hi/lo safety switch.

**Ford F-100 Gen-II Sure Fit™ System Features:**

- Electronic Servo Motor Controls, Including Heater Valve.
- Mounts completely behind dash.
- A/C exits through dash or side vents.
- Floor or dash exit heat.
- Dehumidified defrost.
- Compatible with our optional Gen-II proline control panels. (see page 24)

**The All-In-One Kit For Your Classic Ford Truck!**

**EVAPORATOR KIT:** Air conditioning, heating and defrost combination designed specifically for your vehicle. Original deluxe control assembly in your dash connects to and controls this unit. Designed to mount to existing holes in your dash and firewall without drilling or fabrication. Evaporator kit comes complete with all mounting brackets, hardware, louvers, duct hose, wiring harness and installation instructions.

**COMPLETE KIT:** All above plus condenser and drier package. Attaches to existing radiator mounting holes. No drilling\* or fabrication required. Comes complete with condenser, mounting brackets, standard drier, pre-formed aluminum lines and mounting hardware.

**NOTE:** Some installations may require additional engine pulleys not included with kits. See page 64 for options. You must provide v-belts and refrigerant.

'53 F-100 Dash shown with optional Proline panel and louvers.

We recommend using our heavy duty fan blade and shroud.

- 75456-LFZ-A** 1956 F-100 Evaporator Kit
- 74056-LFU-A** 1956 F-100 Complete Kit

- 63156-LFE** Optional defrost duct for above (each)  
For both sides order two.

**TOTALLY COOLED GALLERY**

Harold Robinson's '56 F-100 is more than cool. It was chosen as the Goodguys 2009 Truck of The Year. Built by Michael Nabors on a Fat Man chassis with a big block Chevy and one of our Gen-II climate control systems to make Harold even cooler.
