

ProLine Braided Stainless Steel Lines & Fittings

We are pleased to offer braided stainless steel A/C hose and fittings. We stock #6, #8, and #10 hose in bulk. Select fittings individually as specified by specific installation. We think this system is the best quality product for pro-style flexible line routing.

- Designed specifically for A/C applications
- Nylon tube covered with fine braid stainless steel
- Nickel plated reusable steel fittings
- Charge ports available on fittings
- Female O-ring pilot terminal ends for precise connection with existing A/C components.
- O-ring seal between the hose and fitting nipple increases fitting and hose assembly integrity.

TOTALLY COOLED GALLERY

This Rad Rides By Troy built '36 won the prestigious Ridler award for owners Ross and Beth Myers in 2007. Every inch of the car was given the Troy magic touch. It features a unique Hilborn injected Shelby 427, high tech suspension with a quick change rear, Hand made gauges and of course, a full Vintage Air Gen-III climate control system.
