35177-VFG #8 line for '39-'40 Ford SuperFlow w/drier

Redesigned Remote Mount Condenser

Allows you to install A/C in your car when there is no room to mount a condenser in front of your radiator. Installation will require a trinary function safety switch (page 54) and an extra long hose kit. Must be mounted in a location allowing adequate air flow to enter and exit condenser.

New remote condensers include SPAL high performance fan and ABS shroud. 14" wide x 20" long x 4" thick.

Not recommended as a primary condenser - Ask your dealer about specific recommendations.

03143-VUC Remote condenser 14" x 20" with 14" SPAL fan

03500-OVA Remote condenser 12" x 20" with 12" skewed blade fan. (not shown)

03113-VUB

Mount straps for any SuperFlow condenser
 Universal Super Flow mounting straps with bolts

03115-VUB

Universal mounting straps with bolts

FACTORY TOUR

During our distributor training sessions we explain the basics of air conditioning and components. We also go into detail about our entire product line including the GEN II and GEN IV systems. We believe that a well informed and technically trained dealer network is one of the best ways to ensure continuing customer satisfaction.
